career of one of Chile's rebel war ships. It both been written that "a word to the wise is st flicient." It may be added in the interest of peace and harmony that Brother Jonathan continues to do business at the old stand.

The Betser Day.

sey, was five years at the school at Car-lisle and learned to speak English well. Something, however, he did not learn ing. from the white race.

He admits that he killed Casey, but wants it understood that he makes no nles of self-defense. Neither does he set plea of self-defense. Neither does be set up the ineanity dodge. He does not care what his lawyers may try to make of it—be killed Casey because he regarded Casey as a spy, and he is willing garded Casey as a spy, and he is willing to suffer as the law may direct. The killing of Lieut. Casey seemed a wanton butchery. From the Indian side of the question the killing of any soldier is a attempted jury bribing—Counsel Fermeritorious deed. These things depend upon the point of view.

attempted jury bribing—Counsel Fermand Armand, for a defendant in the Malia cases, and Charles Granger, of the Louisiana Lottery Company.

Jumping the Wrong Man.

newspapers and paying in advance. Would they think more of Mr. Darrah if he subscribed and permitted himself to join the ignoble army of delinquent subscribers? Mr. Darrah would do better if he were

to provide himself with solid Republican literature, but after all it is a matter of taste, and since Mr. Darrah is willing to pay in advance for what he wants, it does not seem just the proper thing to find fault with him. Men of Mr. Darrah's ambition have been known to subscribe for newspapers and never pay for them, letting the publishers take their pay out in the satisfaction of being permitted to contribute to the enlightenment of a great man.

until then there will be no change in

Whether the increased duty of 2,2 cents per pound will prove sufficient Low's Soothing Syrup." MWFAW protection, remains to be seen. American manufacturers are going to try it on a large scale and with great hopes of success. Welsh manufacturers are frightened and sudeavorinteriors are frightened and endeavoring to reduce still further the cost of production. They have informed their men that they must accept lower wages or the American market will be lost. This would be bad for all concerned on the other side. In the past twenty years we have imported 3,682,769 gross tons of tin plates, valued by manufacturers at \$307,541,404. To this valuation must be added freights, profits and duties, for, as there was no competition on this side. there was no competition on this side,

the American consumer unquestionably paid the duty.

With a tin plate industry at home important enough to be a factor in the market, the foreign manufacturer will market, the foreign manufacturer will bave to pay the duty before he can get Children Cry for Pitcher's Castoria.

his wares in, and he will never get that duty back. Isn't it worth while to keep An Oath-Bound Woman's Club for the this employment at home? Isn't it what Protection means.

do land Yard. They have a case similar to

dend, but it was no less revolting. The first was no less revolting. The police have been industrious, but they never wished or expected to take one have yet some things to discover. The and she must pay an initiation fee of murdered woman is not positively iden. So. If a member discovers she has miscalculated her affections and has

The center of population is to be marked with a monument on a farm twenty miles east of Cincinnati. That monument should be provided with wheels.

Is the Senators' Club going to pieces? The other day it was Senator Edmunds who withdrew. Now it is Senator Reasons, Perhaps the Senate is locing its charm for the old stagers.

The death, of the great soldier Von Moltke was ideal. He just were out at the end of a long career of work. A brilliant soldier, covered with honors, his life was a model of simplicity. Familiar with the pomp of life, he valued it at its worth. He was not dazzled and did not seek to dazzle. Von Moltke was a true man.

The attention of Italy is politely called to the interesting fact that one of Chile's torpedo boats has ended the career of one of Chile's rebel war ships. It hath been written that "a word to the Moltand and the career of one of Chile's rebel war ships. It hath been written that "a word to the search of the follows the provided with monters, his life of the country than all other diseases at the man.

worth while to save from \$300,000,000 to Frankfort-on-the-Main has a Woman's \$400,000,000 in twenty years? That is Club for the Discouragement of Marriage, says the New York Sun. It was founded late in February by nlneteen women between the sges of eighteen as mined to grasp their present excellent ank forty-nine years of age, who not mined to grasp their present excellent opportunity to show their superiority over the slothful sleuth hounds of Scotland Yard. They have a case similar to that series of cases supposed to be the work of Jack the Ripper.

It is now clear that the New York crime was not committed by the London fiend, but it was no less revolting. The

There is more catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease, and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven catarrh to be a constitutional disease, and therefore requires constitutional treatment. Hall's Catarrh Oure, manufactured by F.

J. Chenny & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from 10 It is taken internally in doses from drops to a teaspoonful. It acts directly upon the blood and mucous surfaces of upon the blood and macous stringes of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. Address, F.J. Crannar & Co., Toledo, O. Sold by druggists, 75s.

Special Commissioner's Sale Land on the West Virginia Centra Rallway.-A Valuable Property.-Sale to be Made at Davis, Tucke County, W. Va., on May 27, 1891.

David Glichriet, et al., Flaintiffs,
Chas. Beawick, et al., Defendants.

Furnuant to the authority vested in us by two decrees of the Circuit Court of Tucker county, W. Va., in the above styled cases, the first rendered at the November term, 1860, the second rendered at the March term of add court 1898, we will so the 27th Below a mand a viceke two mentals of the Circuit Court of Tucker county, W. Va., proceed to sell the land in said cause decreed to be sold.

Patel land is known as part of "Blackwater Hotel" in the town of Davis, Tucker county, W. Va., proceed to sell the land in said cause decreed to be sold.

Patel land is known as part of "Blackwater Hotel" and the part thereof which will be sold is the undivided sixth-tenths of one-half of said tract which tract as whole cost size 35,353 and three-louriths sores, and the six tenths of one half thereof which it is proposed to sell would contain an area of short 7,655 acres undivided and two years, taking from the purchaser interest bearing notes for deferred spymonus of purchase money, and retaining the title as additional security until the purchase money notes have been paid in 'ull. The West Virginia Central Railway runs through this land for some five or six miles between the towns of Coketon and Hondriels, and the tract existeds from the Dry Fork of Cheat river to Fendleton, near Davis, in a north and south direction, and from the lower end of Cannan to near sepuide to be one of the vest timbered tracts of land in West Virginia, with such varieties as spruce, hemick, ash, cherry, poplar, beech, dac, dac. Large areas of the tract are underlaid with the same veins of coal which are being wo costenively worked at Thomas and Coketon by Senator Davis and others, and it is said upon what is believed to be
